FALLSFEST 2009 ANNOUNCES SATURDAY ENTERTAINMENT

(WICHITA FALLS, TX) Organizers of FallsFest have confirmed the opening band for Saturday, September 26th. Lucy Park will come alive for the 24th annual with the event, voted Texoma's Best Local Festival and Best All-Around Event.

First to take the main stage on Saturday night is rock band Miyagi.

Local band Miyagi (mēyā`gē), loves to rock! They are a fun, rowdy, cut loose rock band, sure to make you dance all night. The band was originally formed eight years ago when Dustin Fike and David Norman started the band Groove Machine. Then three years later the name was officially changed to Miyagi and three more band members have since joined the group: Nolan Cannedy, John McGowan, and Michael Clark. Their music styles cover a wide range of Rock from heavy to happy, loving to rebellious. The guys of Miyagi are true friends, and their attitude and stage presence show an all-for-one attitude. The band's original music has been compared to Bush, Pearl Jam, and Creed, and the wide range of cover songs will keep your body shaking all night. The group has been playing local venues for almost a year, and with several new songs in the works the future looks bright for these guys. Check out their Myspace page at www.myspace.com/miyagitheband.

FallsFest is a joint venture of the Junior League of Wichita Falls, Inc., Streams and Valleys, Inc. and The Wichita Falls Parks and Recreation Department. Dates for the festival are September 25-26.
