Dear Friends,

Does your agency need supplemental financial assistance for a specific project? Could your agency utilize volunteer power for a designated short-term need? If so, we may be able to help.

The Junior League of Wichita Falls is committed to promoting voluntarism and to directing our resources to effect positive change in the community. We currently have a program called Opportunity Knocks established to assist agencies such as yours.

Opportunity Knocks is designed to respond to immediate, short-term needs of community agencies that are not currently sponsored by the Junior League of Wichita Falls. When a project is selected, our Opportunity Knocks program provides the following:

- A. Financial assistance up to \$1500;
- B. League volunteers to work with the organization for a short term to be agreed upon by the Junior League and the organization.

Requests will not be considered for the following:

- A. Fundraising activities;
- B. Travel or per diem expenses;
- C. Salaries;
- D. Agencies receiving assistance from the Junior League of Wichita Falls during the current fiscal year;
- E. Requests in excess of \$1500

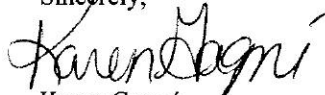

If financial assistance is the only need, the Junior League also makes available the Community Assistance Fund (CAF). An organization may apply for one of these funding sources during our fiscal year, June to May.

If your agency could benefit from the Opportunity Knocks program, please complete and submit the enclosed application to the Opportunity Knocks Committee in care of the Junior League of Wichita Falls, 2302 Midwestern Parkway, Wichita Falls, Texas 76308. Each request will be evaluated on an individual basis according to the date and nature of the request.

In order to use our funds and volunteers efficiently, we ask that all applications for services needed from September 2009 to May 2010, be submitted by August 31, 2009. However, if a need suddenly arises, please do not hesitate to call with your request. When submitting your application, please understand September 25 and 26; November 6, 7, and 8 and March 26 and 27 are dates committed for other Junior League projects.

If your agency desires further information, please contact the Junior League office at (940) 692-9797 or visit our website (www.jlwf.org). We look forward to receiving your application.

Sincerely,

Karen Gagné
