WHO WE ARE

The Junior League of Wichita Falls, Inc. (JLWF) is a recognized leader in our community, committed to fulfilling the needs of our local area. Comprised of a diverse and dynamic group of well-trained women, all sharing a common desire to improve the quality of life in Wichita Falls and the surrounding areas.

Since our foundation in 1957, JLWF has grown to a membership of over 300 women, with active members ranging in age from 21-60. In addition to fundraising for local causes, they give of their time and talents by volunteering a collective 17,000 hours annually.

OUR MISSION

JLWF is an organization of local women committed to promoting voluntarism, developing the potential of women and improving communities through the effective action and leadership of trained volunteers. We welcome all women who value our mission.

OUR FUTURE

To continue to bring lasting change and impact in our community, JLWF is actively seeking Community Partners to join us in fulfilling our mission.

Businesses and organizations who make an annual commitment to become **Community Partners** will **enjoy year-long opportunities** for exposure and engagement directly with our members, as well as promotion through JLWF media channels and special events.

OUR PROJECTS

Our Community Plan is a promise we make to our neighbors in need each year. Through six signature projects in the 2022-2023 plan, the JLWF is committed to providing \$44,900 in monetary donations and an additional \$370,430 in members' volunteer hours. This is not possible without your support.

(View our complete Community Plan at www.JLWF.org/CommunityPlan.)

INTERNATIONAL FRIENDSHIP

Over 55 years of goodwill, understanding and cultural exchange exists between JLWF and the German Air Force Squadron of the Euro-NATO Joint Jet Pilot Training Program at Sheppard Air Force Base. We recognize how important NATO is to our community, and aim to continue to build bridges that strengthen this relationship.

FOOD FIGHT

Food Fight is a one-day event where JLWF, along with other Junior Leagues from across Texas and Oklahoma, compete to see who can raise the most food for their respective food bank through a Food Bank Challenge. Donation bins are also placed at partnering businesses across Wichita Falls for a week leading up to the big day. Since the inaugural Food Fight in 2017, the Junior League of Wichita Falls has raised over 14 tons of food for the Wichita Falls Area Food Bank.

H.E.A.R.T.

(Helping Encourage and Reach Teens)

JLWF partners with Barwise Middle School and hosts a one-on-one mentoring program for at-risk 7th and 8th-grade girls. These girls and their mentors discuss various topics such as social media etiquette, self-care, leadership skills, and so much more.

PINK PANTRY

Pink Pantry is designed to provide much-needed menstrual supplies to female students in WFISD. Statistically, one in five girls will miss a day of school due to the lack of proper hygiene supplies during their period. By providing discreet bags with hygiene supplies to nurses and counselors for distribution, JLWF hopes to ensure girls with equal opportunity to learn.

OPPORTUNITY KNOCKS

Volunteer time and funding assistance are provided in response to immediate, short-term needs in the community through established non-profit agencies. Volunteer time ranges from a few hours to a one-day project. Grants are given in amounts up to \$2,500 each.

COMMUNITY ASSISTANCE FUND

Funding is provided in response to immediate needs in the community through established non-profit agencies. Grants are distributed each through Fall and Spring cycles.

PARTNERS IN EDUCATION

JLWF partners with the Wichita Falls Independent School District to enhance student learning through program and project development and implementation. In 2020, JLWF expanded to become a district-wide partner, accepting and reviewing applications from all 25 WFISD campuses.

This volunteer and financial commitment also include a partnership with the Wichita Falls Area Food Bank's PowerPak 4 Kids initiative, an ongoing effort to provide food to at-risk children on weekends and breaks when school meals are not available.

LEADERSHIP TRAINING

Training is a fundamental and integral component of the Junior League mission. Through committee placements and project execution, the Junior League teaches skills and competencies to prepare our members to be effective community leaders.

Leadership development and training is what sets the Junior League apart from other community service organizations, and enables our members to go on to become valuable volunteers for other local nonprofits. Training also reinforces a second component of the Junior League mission, improving the potential of women.

OPPORTUNITIES FOR COLLABORATION

Our Community Partners play an invaluable role in meeting our mission, and we want to meet you where you are. The sponsorship structure below provides a framework for involvement, but we are open to collaboration on creating unique partnerships that best meet your goals. Please feel free to contact us with any questions or ideas. Event-based sponsorships are still available by request.
